### **Duration and charges**

1.5 hours duration @ £40 total.

### **Scheme Syllabus**

The ADI to use the driving assessment report form

### **Scheme Rules**

1. Once a client has registered with the County Council, the Council will then email the local instructor with the name and telephone number of the client and tell the client that the local instructor will contact them. Upon registering CCC will ask the client if they mind being contacted at the end of the sessions for feedback purposes and ask how they heard about the scheme.
2. The client keeps their driving assessment report form. Cumbria CC do not need to see a copy of it.
3. CCC will pay reasonable expenses to the ADI should the session be cancelled due to failing the eyesight requirement or lack of evidence of insurance etc.
4. The client to use their own car. If the ADI has to use their own car for whatever reason then an extra £10 will be payable to them. Travel expenses will be paid should the ADI have to travel "out of their area" to meet the client at the rate of £0.45 a mile.
5. The ADI should send their invoice directly to Chris Broadbent.
